**MAZATROL MATRIX**  
FOR INTEC/EX IV  
Programming EIA/ISO  
MANUAL NO. : 1770000000

Serial No. :

Before using this machine and equipment, fully understand the contents of this manual to ensure proper operation. Should any questions arise, please ask the nearest Technical Center or Technology Center.

**IMPORTANT NOTICE**

1. Be sure to observe the safety precautions described in this manual and the contents of the safety plates on the machine and equipment. Failure may cause serious personal injury or material damage. Please replace any missing safety plates as soon as possible.
2. The modifications are for the performance that will affect operation safety. If such modifications are required, please contact the nearest Technical Center or Technology Center.
3. For the purpose of explaining the operation of the machine and equipment, some illustrations may not include safety features such as covers, doors, etc. Before operation, make sure all such items are in place.
4. This manual was carefully compiled and accurate at the time of publication, however, due to our desire to constantly improve the quality and operation of all our products, it is subject to change or modification. If you have any questions, please contact the nearest Technical Center or Technology Center.
5. Always keep this manual near the machinery for immediate use.
6. If a new version is required, please order from the nearest Technical Center or Technology Center with the manual No. or the machine name, serial No. and model name.
